## Cantrill Asks Damages.

The firm of Green, Van Winkle & Schofield, of Frankfort filed the suit for Mr. Cantrill.

### STOCK, CROP AND FARM NOTES.

—I. C. James of Harrodsburg, had refused \$1,000 for the fine mare that died last week. She was considered about the best show animal in the State and it was estimated that she would have won \$1,200 at the Kentucky fairs this season.

—The Louisville Horse Show Association has re-elected Hon. A. J. Carroll, President, S. P. Jones second vice president, and Col. W. B. Heldman third vice president. Vanderbilt, Harman and Sorg prominent New York horsemen, were put on the executive committee.

—NICHOLASVILLE COURT—The Journal says "A small crowd attended county court Monday and it was one of the duller court days for some time. Little stock was on the street and few sales were made. Duckworth & Benton sold a horse to Floyd Reynolds for \$100; also a male to Thomas Bruner for \$175, and one to John Taylor for \$135. J. B. Chambers sold two cows, one for \$40 and the other for \$25. T. W. Duckworth has purchased in various parts of the county 30,000 pounds of wool which he has stored in his warehouse here."

—In Montgomery county during the last week the following sales of cattle were made for delivery in September: S. English Anderson sold 150 1,500 lb. steers to S. S. & Co., of New York City, at 7 cents; Bigstaff & Cockrell sold 140 1,450 lb. steers to same party at 7 cents; Col. Gatewood sold 100 1,450 lb. steers to Lebb & Co., of Indianapolis at 7 cents A. S. Hart sold to local buyers 98 1,450 lb. cattle to wift & Co., of Chicago at 7 cents. Export cattle: R. E. Tifton sold 160 1,450 lb steers to S. S. & Co., of New York City, at 7 cents; Sharp Bros. sold 165 1,450 lb cattle to Swift & Co., of Chicago at 7 cents.

### Poor Mule.

This is the story of a Kansas mule. The corn was about ready to lay by, and his master was in the midst of the final plowing when the mule decided that he was through with work. No amount of form or moral or other suasion could induce him to "pull the hat off your head." Exasperated beyond endurance, the master at last succeeded in leading him to a nearby corncrib, where he fastened him with a log chain with the expressed intent of leaving him there until he came to his senses. The day was as hot as Kansas. The flies were Kansas flies and thick as they grow in Kansas. The crib was full of popcorn. By and by the mule began to register his protest against the outrage, for such he conceived it to be, by a lively tattoo against the side of the crib. "An' he kicked an' he kicked an' he kicked" until his shoes became red hot and set fire to the corn crib. The fire popped the corn, which fell about in such profusion that the mule believing it was snowing, lay down and froze to death.

### The Farmer and Wheat.

Fairly authentic statistics to date indicate one of the largest wheat crops ever harvested this year. It is estimated, however, that the yield will be about 35,000,000 bushels less than in 1909. Logically, the price ought to be higher now than it was then, yet it is about 45 cents lower. The pulchritudinous Patten and other speculators (pardon, we should say speculators) made the farmers believe last year that the bins were empty and the crop short and promised two dollar wheat. As a matter of fact the man behind the plow got about half that, and incidentally Manipulator Patten benevolently assimilated a few paltry millions of dollars. This year he and the Chicago clique tried the game over again. The last gouging made the farmer somewhat more wary, however, and the corn failed, wheat for July delivery on June 1 being quoted at 92¢ where Patten transferred a million and a half to the debit side of his ledger. Gamblers in grain are in the same class with grafters in government franchises and special privileges. The day is coming when the pinched proletariat will boost the bunch of patriots of the prevailing party out of office. It commences to look as if it had one eye open now.

## Aids Nature

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making materials, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves—in short establishes sound vigorous health.

*If your dealer offers something "just as good," it is probably better FOR HIM...it pays better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.*

Dr. Pierce's Common Sense Medical Adviser, In Plain English; or, Medicine Simplified, 1008 pages, over 700 illustrations, newly revised up-to-date Edition, paper-bound, sent for 21 one-cent stamps, to cover cost of mailing only. Cloth-bound, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

## Sample Helps Frail Women

So many women are dragging out weary lives just because their digestive organs are weak. The result is poor circulation, nervousness and the verge of invalidism. It is often very unnecessary and the woman's own fault.

The first thing to do is to look to the welfare of your bowels. There the trouble usually lies. All physicians know that a large percentage of women are habitually constipated, and from this results indigestion, piles, weariness, etc. that women constantly complain of. But there is no use taking "female remedies" and things of that kind until you have started your bowels to moving. You will find that when the bowels move regularly once or twice a day all your petty ills will disappear. Take a good mild laxative tonic like Dr. Caldwell's Syrup Pepsin for awhile and you will find yourself rapidly getting better and stronger, your bowels will regulate themselves and work at stated times, and then your headaches and dizziness will disappear. Don't take strong cathartic pills or salts, but just such a mild and pleasant-tasting remedy as Dr. Caldwell's Syrup Pepsin.

You can obtain a bottle of your druggist for fifty cents or one dollar, and either size may be enough to permanently cure you. Thousands of women keep it regularly in the house and will no longer be without it, as it cured them and can be used with safety by every member of the family, down to the youngest child, but if you have never used it take the advice of Mrs. Earl S. Cox, 409 Twenty-fifth street, Moline, Ill., and Mrs. Ellen Dungan, Muncie, Ind., and send to Dr. Caldwell for a free trial bottle, as they did, and learn for yourself what it will do in your own case. That it will cure you, as it did them, there is no doubt.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 500 Caldwell building, Monticello, Ill.

##### RAIN STOPS EXTRA INNING GAME

Rain stopped another extra inning game Friday afternoon between the Lawmakers and the Bourbonites, at the beginning of the thirteenth inning when the score was 3 to 3. The weather had been threatening most of the afternoon but it was not until the hour hand had almost reached six o'clock that the storm from the North broke.

The game was a beauty and from the standpoint of the fans was spectacular. The Lawmakers made all their scores in the sixth inning. Harrell was safe on Scheneberg's error. Warren followed with a hit, advancing Harrell to second, and Angemeier came along with a hit, advancing Harrell to third and Warren to second. While Angemeier was playing off first, Scheneberg threw the ball to Barnett, who missed at, and then the Parisians began to throw the ball around like wild men, while Harrell, Warren and Angemeier trotted around the bases to the plate.

Paris made all of their scores in the ninth inning, after one man was out and the second man had struck out. Barnett followed, and a ruck at the third strike a wild pitch and chased down to first. Holder followed with a hit, advancing Barnett to second, and Maxwell came along and saved the day by slamming the ball over the left field fence for four sacks, scoring the ten ahead of him. Crutcher was taken out at the end of this inning and Cornell went in to finish the game.

Score: Paris.....0 0 0 0 0 0 0 3 0 0 0-3  
Frankfort.....0 0 0 0 0 3 0 0 0 0 0-3  
Earned runs—Paris 2. Two base hits—Kaiser, Scheneberg. Home run—Maxwell. Base on balls—off Crutcher 3 off Cornell 1; off Scheneberg 6. Left on bases—Frankfort 5; Paris 9. Struck out—by Crutcher 3; by Cornell 1; by Scheneberg 6. Double plays—Hoffman, Bohannon, Hoffman, Angemeier, Harrell. Wild pitch—Scheneberg, Crutcher. Hit by pitcher—McKernan. Time—2:15. Umpire—Cayou.

##### LAWMAKERS DEFEATED 1 TO 0.

In the fastest game of the season in which both teams played championship ball, the Bourbonites defeated Frankfort Saturday afternoon by a score of 1 to 0. The contest was a pitchers' battle between Winchell and McVaine, in which the former excelled. Several times the Senators had a man on second and third, but could

not get the hit necessary to score.

In the second session, Harrell, for the visitors, was safe on a wild throw of Holder to first, and reached second before the ball could be fielded in. On Warren's grounder to Winchell, the runner to third. Angemeier fled to center retiring the side.

The locals scored the only run of the game in the fourth, when Goodman hit to right for two bases and scored a moment later on Kaiser' corking triple to center.

The features of the game were a great running catch by Kaiser in center, and the brilliant work of Maxwell at short and a smashing two-bagger of the latter that hit the left field fence. Score:

##### BOURBONITES WIN 14 INNING CONTEST.

For fourteen innings the Bourbonites and Hustlers battled for supremacy in the game a White Park Sunday afternoon, the locals coming out with the biggest end of the score which was 4 to 3.

McCormick was pitted against Toney in the first six sessions of the game. In the fifth inning he was struck on the arm by a pitched ball and after retiring the side in the sixth he was forced to retire in favor of Poole, the latter proving very effective after the seventh and especially so when men were on bases.

Paris went to the front in the first session with one run but in their half of the second, when the locals began to hurl the Horsehide around the diamond permissively, three wild throws and a single, two of the Hustlers crossed the rubber.

In the third, however the locals worked another man around the bases and tied the score, going the visitors one better in the sixth when Kaiser drove the ball to the centerfield fence for three bases, scoring on Barnett's out to Kircher. Poole, who was sent in to finish the game for McCormick in the seventh, was a little wild and passed the first man who was worked across the plate with a sacrifice and two scratch hits, tying up the contest. After his first inning Poole settled down and pitched masterly ball, striking out seven men. In the twelfth and thirteenth the visitors had men on bases but the hit necessary to score was not forthcoming.

After the game and gone into the last half of the fifth extra inning, Kaiser started the fun by hitting safely for the third time, driving a hot one over the third sack just a few inches inside the foul line. Barnett was the next up and laid a neat bunt down the third base line. Kaiser, by the most daring base running taking third on the out, and scoring when Holder drove a hot one at Toney, just tipping the big pitcher's fingers. Kaiser was the best at the bat, getting a single, double and triple out of six times up.

Twelve hundred people witnessed the game which was the longest yet played on the local grounds. Score: Earned runs—Paris 2. Hits—Paris 7; Winchester 12. Errors—Paris 5; Winchester 2. Two base hit—Kaiser. Three base hit—Kaiser. Left on bases—Winchester 6; Paris 4. Double play—Kuhlman to Barnett to Holder. Struck out—by McCormick 2; by Poole 7; by Toney 5. Base on balls—off Toney 3; off Poole 1. Hit by pitcher—McCormick. Time—2:40. Hits—off McCormick, five in six innings; off Poole seven in seven innings. Umpire—Cayou.

Auction sale of home sites on June 30—the desirable old fair ground lots on new pavements. Liberal terms. See the ad on another page.

##### Aged Jurist to Leave Kentucky.

Unwilling longer to undergo the unpleasantness which is made a part of his daily life in Eddyville, Judge W. L. Crumbaugh, formerly County Judge of Lyon county will remove from Kentucky to Metropolis, Ill., where he will make his home.

Judge Crumbaugh has been the subject of bitter attack by the night riders and has been threatened with death if he did not cease his efforts to convict the men who were guilty of outrages in Lyon county.

But Judge Crumbaugh is not leaving because he is afraid or because he thinks he is in actual danger. Although he is an old man he is game and he says he has no fear of the night riders or their sympathizers and he would stay and face them if he thought they actually would carry into effect their threats. But it is not pleasant for Judge Crumbaugh to live in Eddyville where there is such open hostility to him and he is too aged a man to fight longer, so he is going to leave his native State, where he can enjoy quiet and peace.

Judge Crumbaugh is one of the best known men in Western Kentucky and has a State-wide reputation on account of his fight on the night riders. He has shown bravery and great nerve and in spite of his age has stood for law and order when it meant risking his life.

##### Rare Bargains.

lights burn there every night; a fire hydrant is already there; Nineteenth street,  
running directly through this property has been macadamized and many concrete  
walks have been built. You don't have to develop this property, it is already  
developed.

The city of Paris is growing toward the South, and this sub-division is in  
South Paris. Remember it is close to the new railroad yards, where  
the Louisville & Nashville Railroad Company is putting in  
improvements costing over \$250,000. It is on the Paris and Lexington interur-  
ban and city cars pass each way twice every hour. What more can you ask for?  
If you don't want the trouble of building, we will sell at the same time and place  
two new cottages, with modern conveniences, in perfect repair, on Nineteenth  
street. These will suit the most fastidious. Also two small cottages on the Clin-  
tonville pike.

Every lot will be sold as advertised. A band of music has been engaged for  
the occasion and you are cordially invited to be present, whether you bid or not.  
Every white person, man or woman, registering with the Secretary before the  
sale of the third lot will be given a number entitling the holder if present at the  
close of the sale, a chance as two ten dollar gold pieces, to be given to the two  
persons holding the lucky numbers.

Terms of sale are liberal and as follows: The purchaser has privilege of  
paying all cash; or one-third cash, and balance in one and two years with lien on  
property or purchaser can pay \$25 cash, and balance in monthly payments of \$10  
each, until payments amount to \$100, when deed is to be made and lien reserved  
for balance due on lot, and payments continue at rate of \$10 per month. Re-  
member the time and place.

### Circuit Judges Called to Meet.

Judge Thomas R. Gordon, President of the Circuit Judges Association of Kentucky, is sending out letters to the members notifying them that the first meeting of the association, since organization some months ago, will be held July 8 at the Galt House in Louisville. The purpose of the meeting will be to devise means or the successful operation of the new law relative to the service of circuit judges as special judges. The law is to the effect that a regularly elected circuit judge of one district shall sit in the trial of a case in another district, in the event that the regular judge of that district is ill or absent, or cannot serve for some other reason. The statute does not affect counties in which continuous court is held.

It is proposed to arrange at the meeting next month for a memorandum for the Governor, so that, without difficulty or delay, he will be enabled to designate the judges to do special work when occasions arise.

### Demonstration of Wireless Telephone.

Messrs. Wm. Russell and Geo. D. Kerr representing the Continental Wireless Telephone and Telegraph Co., were in the city Saturday and completed arrangements for the giving of a demonstration of the wireless telephone which will be held at the Windsor Hotel on Wednesday, June 29.

The progress in the establishment of wireless telephone stations throughout the country has advanced rapidly in the past few years and the company now has stations in forty of the leading cities of the United States. Each station is proving a commercial success. It is the purpose of the company to establish a station in this city and the demonstration is to be given with a view of enlisting the interest of the citizens of Paris.

Recently Messrs Russell and Kerr gave a demonstration of the wireless telephone at the State University in Lexington, which was a success, and the interest manifested by the Lexington people will be the means of securing a wireless station for that city and preparations are now being made, at an enormous expense, for its establishment. A free booklet on wireless will be supplied on application to Mr. Russell at the Phoenix Hotel Lexington.

### Store Wrecked and Proprietor Injured.

After knocking Carl S. Sanders unconscious with blows from a sandbag, yeggmen Friday morning tried to blow up the safe in Sanders' store building at Stone, a small town in Boyle county, with dynamite.

Their efforts resulted in the wrecking of the building and the probable fatal wounding of Sanders, who was blown out of the building by the explosion. One foot was cut nearly off and he was badly burned and otherwise injured. He is not expected to recover. The yeggmen did not get the safe open although the vault showed mark of being tampered with.

### Suing State Board of Equalization.

Suit is to be brought at once by Jefferson, Hardin and other counties of the State against the arbitrary raise in assessment made by the State Board on equalization. The suit rests upon the fact that one member of the board, whose vote determined the raises, was not legally qualified to serve under the law and that the board exceeded its powers and limitations under the act creating it. That instead of equalizing the assessment between the counties, it deliberately and purposely raised the assessment of many counties in order to increase the revenue of the State. It will be proven that a member of the Board stated that this would be done to relieve the financial condition of the State treasury which was without funds to meet the demand upon it.

We believe the Court of Appeals will decide this matter in favor of the contention of the counties, as the action of the State Board is a dangerous usurpation of authority belonging under the constitution to the legislative branch. The constitution specifically provides that all questions of revenue and taxation is especially delegated to the Legislature and that all bills of such a nature must originate in the House of Representatives. Revenue can be raised in two ways; one by increasing the tax rate, and the other by increasing the assessments. If the State Board has a right to increase the revenue of the State \$375,000 by raising the assessment on certain kinds of property and exempting certain other kinds and in certain counties and excepting other counties, then it has the right to increase it a million or two million the same way. We do not believe that it has this right and we feel confident the Court of Appeals will so decide.—Elizabeth-town News.

### Sixty First Congress Adjourns.

The second session of the Sixty-first Congress adjourned Saturday night and President Taft signed practically all matters of legislation that had been placed before him. He received congratulations from his cabinet members and from members of both branches of Congress, upon the successful passage of most of his pet measures.

Each House of Congress marked its closing hour by voting for an investigation of the Murray Indian contracts. Instead of the usual scene of comparatively undignified relaxation from the business of legislation both Houses devoted exceedingly serious attention to the charges of attempted bribery and their forms of improper influence made in the Senate Friday by Senator Gore, of Oklahoma, and subsequently in the House of Representatives by a report of Murphy, of Missouri.

President Taft signed the Rivers and Harbors appropriation bill, rebuking Congress for its passage and declaring he would never sign another similar bill. The President said the Rivers and Harbors improvements should be made in accordance with an approved system, such as was not followed in the bill, but that he signed the bill in order that important improvements would not be delayed.

### WHEN HER BACK ACHES.

A Woman Finds All Her Energy and Ambition Slipping Away.

Paris women know how the aches and pains that come when the kidneys fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all these disorders. Here's proof of it in a Paris woman's words:

Mrs. Laura Lair, 1114 Pleasant street, Paris, Ky., says: "Doan's Kidney Pills were of greater benefit to me than any other kidney medicine I ever took and I consider them worthy of the highest endorsement. I believe that kidney trouble was inherited in my case. My back was painful, especially when I stooped or lifted and when I got up in the morning, I felt very lame. I was languid and nervous and was also subject to severe headaches and dizzy spells. Whenever I caught cold, it settled in my kidneys and made my condition worse. Doan's Kidney Pills helped me in a short time and the contents of one box effected a complete cure."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

## FORD & CO.

### Dreamed Tobacco Prices Soared.

(Richmond Climax)

A Main street merchant tells us of a singular dream he had one night recently, in effect that the crop of tobacco for this year had already been put on the market and that it brought 190 cents per pound. He is a non-pooler, he acknowledged, and when he woke up next morning and found that he had only had a dream and there was nothing in it he has been thinking ever since that he had better join his fellow farmers in the pool and get a good price this year, and not continue to have only dreams. The above story is absolutely true.

### STOCK, CROP AND FARM NOTES.

—The State Livestock Sanitary Board, in session at Frankfort Friday, declared quarantine against sheep in this state with scabies, the quarantine to go into effect September 1, and livestock inspectors will be appointed for every county.

—Reports from Nicholas county indicate that the wheat crop will be one of the smallest ever raised in this section, but the quality is above an average.
